(1) In the "Claim Amount" column, the amounts listed are taken directly from the proofs of claim, and thus replicate any mathematical errors on the proofs of claim. Where the claim amount is zero, unliquidated, unidentified, or otherwise cannot be determined, the amount listed is "0.00". For claims filed in a foreign currency, "Foreign Currency" is displayed in the "Claim Amount" column.

(2) Claims on the exhibit are sorted in alphabetical order based on the creditor name as listed on proof of claim form.
